

Aero Precision is A&M's worldwide exclusive stocking distributor for C-130 Hologram Parts.

Aero Precision is A&M's Worldwide Stocking Distributor of structural parts and components in the defense aerospace industry including, but not limited to: C-130, L1011, F-16 and more.

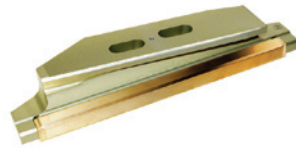

A&M currently holds ISO 9001:2000 and AS9100-A certifications and is a Lockheed Approved Supplier and Hologram manufacturer.

Through our partnership with A&M, Aero Precision also provides custom structural solutions to operators with aging aircraft issues. From short run production to multi-year deliveries, we remain flexible to adjust production lead times to meet demands. Our team is committed to provide complete customer satisfaction and support.

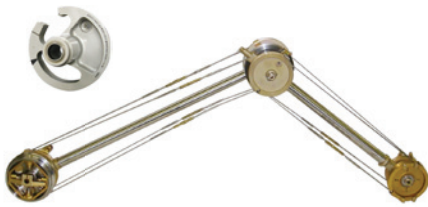

Please contact Aero precision today for your Lockheed Hologram structural support needs.
